@ Campus by the Sea
on Catalina Island

\$360

How do I register?

You can register by completely filling out the attached forms and returning them to Tami or the church office, along with a \$75 non-refundable deposit. Spots are limited, so please get your deposit & forms in asap! Your final payment is due by August 1st.

What can I expect?

Summer camp is a filled with epic fun! We will experience a week of laughter, friendship, worship, spiritual growth, games and much more on Catalina Island! It's a great opportunity to make new friends!

Are scholarships or fundraisers available?

There is financial help available! We encourage all students to participate in fundraisers to help with the cost of camp. If you need a scholarship...just talk to Tami! As an effort to support families with multiple students, the Student Ministries team has decided to max a family's out of pocket cost for summer camp this year at \$500.

I've never come to anything at CPC, can I still go to camp?

Of course! If you are a Middle School or High School student there is a place for you! This is a great fun week to get to know some amazing other students and create new friendships!

What should I bring?

A full packing list & other important information (departure & return times) will be sent to you a couple weeks before camp.
